# All-in-One Universal Laptop Adapter

for laptop, netbook, and portable device
at home, office, auto, and air

**mCube** Pro

## Detachable Auto / Air Module

Detach the world's smallest Auto/Air Adapter and carry it with you in cars and airplanes. The mCube Pro is credited by the RTCA aviation certification, safe usage within air planes is guaranteed.

## Adjustable Output Voltage

The mCube Pro is able to support a wider range of laptops. Slide switch enables changing between 15-17 volts and 18-21 volts output.

## Fast USB Charging

With special design USB power port, it gives you the capability of charging all your standard USB devices.

## Energy Saving

With extremely high power efficiency, you can reduce your energy costs and reduce your $CO_2$ emission.

## Multi-Built-in Protection

Never worry about unstable voltage anymore, the built-in protections ensure Innergie products are safer than ever.

## Great Compatibility

Charge most popular brands of laptops between 15-21 volts, up to 17" in LCD size, and 70 watts consumption, including Acer, Asus, Compaq, Dell, Fujitsu, Gateway, HP, IBM, Lenovo, MSI, Samsung, Sony, Toshiba, and more.

## Free Tip Program

10 Laptop Tips to match with your laptops. If none of the standard tips fit your laptop, simply inform us via e-mail and we will arrange for a FREE compatible tip to be sent to you*.

All-in-One design, with the detachable auto/air module, for you to charge everything, everywhere with a single power adapter.

ENERGY STAR

*Shipping and handling fee may be applied.
